

Sarah Chen

Sarah Chen · 6 年经验 · Singapore · 30 岁 · Bachelor's

+65 8123 4567 sarah.chen.fe@gmail.com

亮点 / Highlights

- Led the React 18 → 19 migration across 14 production apps with zero customer-impacting incidents
- Drove Core Web Vitals improvements: LCP 3.4s → 1.6s on Indonesia/Philippines markets
- Authored the internal design-system v3 (60+ components, 10k weekly installs across BU)

工作经历 / Experience

Shopee — Senior Software Engineer

2022.01 - Present

- Tech lead for the global checkout-flow team (4 FE engineers)
- Owned the perf budget for Indonesia/PH markets — emerging-market 3G first
- Migrated build pipeline from webpack to Vite + Turborepo, CI time 18min → 6min

Lazada (Alibaba Group) — Software Engineer

2019.06 - 2021.12

- Built the merchant-center dashboard serving 200k+ sellers across SEA
- Introduced E2E testing with Playwright; flaky-test rate from 12% to 1.8%
